A black and white illustration by C. Gordon. In the center, a woman with curly hair, wearing a dark, long-sleeved dress, runs towards the left. She holds a violin and bow. To her left, a man in a suit and tie runs towards her. Behind them, a crowd of people in various costumes follows. On the right, a car is shown with motion lines, and a crowd of people in hats and coats stands behind it. Debris, including a hat and papers, is scattered on the ground. The artist's signature 'C. Gordon' is in the bottom right corner.
